

Get Ready to Envision

SET YOUR GOALS - SMART METHOD

Define Your Goals to Get Started and Unlock Your Potential

The SMART framework assists in setting your goals.

SMART goals allows management, or the team involved to improve on the business plan.

This makes it easier to resolve the problems in the plan, making the process run smoother and more efficiently.

The criteria for goal setting are **Specific**, **Measurable**, **Attainable**, **Relevant**, and **Timely**.

All Purpose Accounting Consultants can help you complete your SMART goals.
